

St. Charles, Illinois Traffic Counts

St. Charles is a home rule community located 35 miles west of Chicago on the Fox River. This progressive city of 30,000 is home to over 1300 businesses located in three business districts. On the east side is our 486 acre Business Park, the 1,054,000 s.f. regional Charlestowne Mall, Pheasant Run Resort & Convention Center, and the DuPage Airport (3rd busiest in Illinois). In 2000, downtown St. Charles received the Great American Main Street Award from the National Trust for Historic Preservation – over \$55,000,000 has been invested downtown in the past 7 years! Fast growing Randall Road, core of our western business district, is home to the Kane County Courthouse and the Kane County Fair Grounds.

The City Economic Development Department provides this information to assist with business location and expansion:

- Available Sites and Buildings
- Building Activity and Real Estate Statistics
- Community Profile and Demographics
- Consumer Expenditures
- Largest Employers
- Small Business Resource Guide

For assistance, contact Ellen Divita, Director of Economic Development, at (630) 443-4093, or view this data on the economic development department's portion of the City's web site at: www.stcharlesil.org

Traffic Count Data

Traffic Counts provided here are collected by the City of St. Charles Engineering Department and represent raw data collected with hose or magnetic counters. These numbers are not adjusted for time of season and week and may differ from State of Illinois Department of Transportation data. Additional counts will be available late summer, 2001. For more information, contact City Engineer Greg Chismark at (630) 377-4486; or email Greg at: Gchismark@ci.st-charles.il.us
